- Anthony V. Pampalona
- Peter Fuciarelli
- Charles Promesso
- Scott Barone
- Trevor Pampalona

Yellow Ribbon Fund

The **Yellow Ribbon Fund** meets a tremendous range of critical and specific needs that fall outside the mandate of the nation's excellent military medical and rehabilitation facilities. These include long and short-term housing for the families of injured service members, transportation to and around the Washington DC area, recreation, entertainment, mentoring and internships, holiday meals, and simple companionship during medical treatment and rehabilitation-which often takes months or years and is often grueling and isolating. Above all, we try to bring to these injured men and women elements of a normal life with the aim of speeding their recovery. In just over two years, the **Yellow Ribbon Fund** has provided injured service members and their families with more than 475 free rental cars, 3,000 taxi rides, 1,000 free hotel rooms, long term stays in apartments for 33 families, hundred of tickets to sporting games, concerts, plays and hundreds of lunches, dinners, golf games, hunting and fishing trips. Whatever the need is, we try to meet it.

*Welcoming Our Injured
Service Members Home*

"They have done their part—now it's our turn."
Event proceeds are earmarked for returning
Michigan Veterans.
